

Committee for Responsible Wildlife Management

Dedicated to Education, Conservation and the Preservation of our Natural Resources

"Promoting Science Based Wildlife Management Decisions for a Better Massachusetts"

Membership/Donation Form

Supporting Membership \$15.00

The **supporting annual membership** is our most basic membership that tells us that you support our efforts by contributing membership dues and want to keep up-to-date on current information concerning wildlife management efforts to create positive change.

Silver Membership \$20.00

The **silver** annual membership costs little more than a supportive membership, but tells us you may be interested in doing more than contributing monetarily in support of the organizations mission. This additional effort can come in the form of being a conduit of information concerning wildlife in your district to the CRWM staff with issue regarding wildlife.

Active Gold Membership \$25.00

The **Gold** annual membership costs little more than a supportive or silver membership, but tells us you may be interested in doing more as a member than only contributing monetarily in support of the organizations mission and/or being a local contact for the CRWM.
